

Antibacterial MASK CASES

MainettiCare™ Mask Cases are the perfect companion for storing multiple unused disposable masks on the go. The Mask Case's space-saving design also allows you to take them anywhere, and their compact size allows them to fit easily into your everyday carry collection. Manufactured from materials infused with antibacterial properties effective against highly contagious and harmful bacteria such as Escherichia Coli and Staphylococcus Aureus, the Mask Cases provide a safe and portable supply of disposable masks, preventing them from being exposed to contaminants while travelling.

TECHNICAL SPECIFICATION

- Materials: Polypropylene (PP) infused with Ag⁺ Ion based Antimicrobial Agent
- Color: Clear / Blue
